- ✓ Wanting - Needing - Searching for a real CyberOS for a very long time!
- ✓ Believe HTML, email, texting, social media and ad-driven technology is stunting my computerist growth and advancement!
- ✓ Excited to try new, high-value, true-free cyber technology & innovation!
- ✓ I want no more big tech'ish logins, passwords, ads and fake personal privacy!
- ✓ I would like to have 100% Control of my Internet / Cyber Computing!
- ✓ I seek the next level of advanced personal computing and digital happiness!
- ✓ I want to experience the feeling of true Cyber Freedom and Independence now!
- ✓ I will find "Matrix Movie" references inside the Liaison and earn a free CyberMachine...
